PAPERWHITES

Code PW: 6 for \$7.95 / 12 for \$14.95 / 50 for \$59.95

Blooms from November on. Flowers have a strong, musty sweet fragrance that can be overwhelming for some. Can easily be forced without a cold period. Bulbs can be grown in bowls with pebbles or soil but blooms will last longer when grown in soil. Plant in 2 week intervals for successions.

Paperwhite Ziva white 20"

HYACINTHS - PREPARED

Code HP: \$1.95 each / 12 for \$16.95

Prepared Hyacinth bulbs have undergone some cooling but still require a cool and dark period for approximately 8 weeks at 9 degrees Celsius. After this time they can be moved into a room temperature area and blooms will appear in 2-3 weeks. Bulbs planted by September 30th should be in bloom for Christmas!
